Rushville Rush co. Indi March 26 - 1833
 Dear Bro I arrived at home yesterday, and
 received beneath your letter my health is
 not very good my family is all well may
 the blessing God rest on you & yours whether
 you are sick or well with you I regard
 that our God is taking the world on last
 Saturday & Sunday my quarterly meeting
 was holden in ~~congress~~ willamsville it was
 a time of power & great glory many were
 added and an untill he shall convert
 the world your Bro. Joseph has sent
 me a deed but it is nothing but a gift
 claim this will not do I must have a general
 warrant this is but just between man & man
 your Bro. Sprank left my house this
 morning he says that Joseph is indebted to
 him sixty dollars, money that Sprank loaned
 out of the school fund to pay for Joseph's
 land he came yesterday to enter but I
 however prevented on him to wait until
 could right to you to you, wish me to
 say to you that he will wait until the first
 of June & no longer I think he can prove
 that Joseph got the money but how the
 matter now stands between them I do not tell

I do think it will be negatory for you to
come out if you wish to prevent a suit at
Law between them he wishes you to writ
him Direct to Decatur county Millington
post office I will let my deed rest untill
I hear from you as Joseph Quitclame
Deed to me makes him responsible to me I
assure you my Bro I wish nothing but
what is just & right and would in five
ing your reason why I rescued the first
Deed Bunt Bought the Land of worth
Joseph of Bunt Bunt got want to make
Joseph a Deed this was good to him but it
was not needed when I bought of Joseph
that Deed was in the hands of Frank I got it
gave it to Joseph I wanted him to give it up
to want and get want to make me a Deed
or get want to make Bunt a Deed & then
Bunt's Deed to me would be void he went
gave Bunt want Deed Bunt then made him
or rather me a Deed when ^{they} had none him self
you say it must have been good or I would
not have taken it Joseph told me that
Bunt had gotten a Deed from want which
was not the fact I was not at home untill he
had it all fixed Bunt and Joseph I am it
without understanding their selves rather of had any
reason to deprive me but this I dare not say
that I should not have my right it ~~will~~ will
be settled by your coming out or B. Frank
says he will take half his Demand ^{rather}
go to Law I am yours with respect
